Appendix 4C – Quarterly cash report

Dear Sirs,

Attached is the Company's appendix 4C for the quarter ended 31 March 2010.

The Company wishes to advise that the net operating cash flows for the March 2010 quarter included a number of one time expenses under the R&D and other working capital categories, which it does not expect to be repeated in the future cash flows. On this basis, the Company's current cash balance as well as anticipated inflows will be sufficient to cover its commitments over the next two quarters.

Yours sincerely,

A Jairath,
Company Secretary
